Golf with us August 16th at Willows Run in Redmond, and enjoy some fellowship, while at the same time help provide clean water for orphan children in Tanzania! Net proceeds from the event will benefit 200 Orphanages Worldwide St. Teresa's Water Well, serving the orphans, as well as the local village, the school, staff, and the kids in the dorm.

Redmond Rotary Club member Jan Hanson founded 200 Orphanages Worldwide in 2008.

Since then, her organization has funded more than 50 projects in 17 countries providing safety, shelter and sustainability for orphans and children in need.

The Redmond Rotary has helped with projects in Haiti and Burundi and Tanzania. This year, our Golf tournament will help fund a well in Songea Tanzania.

200 Orphanages Worldwide partner, St. Teresa Orphans Foundation in Songea Tanzania, provides housing, education, medical and daily care for orphans, helping create brighter futures. Redmond Rotary Golf Event will raise funds toward the clean water project including a well, holding tanks, pipes, and plumbing along with a solar water pump.

Your participation in the Golf "Fun"draiser helps orphans in Tanzania! 100% of the net proceeds will go to the well project. Learn more about this 200 Orphanages Clean Water Project at
