Thursday Aug 22nd Meeting
Kim Sarnecki, CEO, Together Center

Together Center makes lives better by helping people find the assistance they need. We do this by co-locating a large array of programs on one campus and by connecting people to these and other resources. We build a collaborative and knowledgeable association of human service providers working together to empower people and our communities. With the campus now 100% nonprofit owned, operated and occupied, the Together Center is actively exploring opportunities to leverage its 2.47-acre Redmond property to its highest and best use while maximizing potential to meet current and future community needs.

Thank you to everyone, especially our sponsors, who made the Eastside Rotary Golf Tournament a success! Special thanks to Deana, Hans, Jan, Tim and my wife for their major efforts towards making this event happen.
