# Welcome to Redmond Rotary

Civic minded leaders helping our community and our world be a better place to live, learn, work and play

Lindsay Shepard Hiking the Pacific Crest Trail  
December 5th Speaker, Redmond Hyatt, 12-1:30

In honor of her father and in support of the National Brain Tumor Society, Lindsay completed a 5-month and 2,660-mile hike from Mexico to Canada on the Pacific Crest Trail (PCT). She will share the incredible journey that took her from the arid desert of Southern California to the mountain passes of the High Sierra and into the breathtaking Cascade Range in Oregon and Washington. Come share her experiences planning and preparing beforehand, fun (and sometimes scary!) stories and photos from her time on the trail and learn how one of the great long-distance trails of the world has impacted her life "off-trail!"

KEY PRINCIPLES THAT DRIVE SUCCESS  
BEYOND BUSINESS SCHOOL

What is it that makes someone a success in business? What drives an individual to create success? Is it being hit by a "lucky stick" or is it something else?

Lorenz started from nothing, a common theme, but founded two companies, ran them successfully and sold them to Fortune 500's. In this book he explains exactly how you can do it, no matter where you are in your business today.

Your next decision could dictate the trajectory your business takes. How you spend your time, and the decisions you make all matter. You will enjoy learning from real-life stories helping you see opportunities right in front of you – the opportunities that so many others fail to see.

If you do not take action on building your knowledge base, then nothing happens. Get inspired, see hidden opportunities, and learn from true business stories that aren't taught in business school.
