**Stephen Ling, Author, "This is China"**  
**A view of what is happening inside modern China**

It is imperative for the world to understand and appreciate what is happening inside mainland China today. Because China is on the rise, especially economically in the world. My 6th book THIS IS CHINA is my endeavor to share my 7-year experiences in China as a visiting professor.

Redmond Mayor candidate [Andrew Koeppen](#) will be visiting Redmond Rotary June 18<sup>th</sup> By working together and taking the leadership role, we can solve existing problems which we all know will only get worse if nothing is done. We can show the region and the world how a diverse community can build on its strengths to create one of the best cities in the world.
