Featured Sponsor

Join us at our lunch meeting Thursday Noon at the Hyatt in Redmond and hear Israel Educator, (shaliach) Eitan Teiger share about Israel, and the Jewish people and StandWithUs Northwest.

StandWithUs Northwest, is based in Seattle, supports

the states of Washington, Oregon, Idaho, Montana, and Alaska. The organization's signature program, started in 2009, and is the Shaliach (Israeli Emissary) Program, through which a young Israeli is brought in to speak about Israel from a uniquely Israeli perspective.

After a brief introduction, Eitan will share some fascinating facts about the history of the Jewish people and its 3,300 year history in the Land of Israel. Learn key points about the history of Zionism, the Arab-Israeli conflict, and the peace process. Most importantly, he is excited to engage with you and answer all your questions about Israel!

[BEN BARATTO MEMORIAL BBQ](#)

On Saturday, June 29, members of Redmond Rotary will be on hand to help prepare for the Ben Baratto Memorial BBQ at Little Bit. The annual BBQ culminates two days of successful horse shows where Little Bit riders compete for medals and ribbons in various disciplines. Rotarians have been invited to help judge the "costume class" at 10 a.m. where riders, their volunteers, therapists or instructors, family and even their horse dress up in matching costumes. It's the highlight of the day!

On Friday, Special Olympics athletes will compete in equestrian games provided through a grant from the Redmond Rotary Foundation.

The horse shows that run from 9 to 4 p.m. on Friday and 9 to 12 noon on Saturday are open to the public..
