Harvest Against Hunger a Program of Rotary 5030

A longstanding District 5030 program, Rotary First Harvest has changed its name to Harvest Against Hunger—A Project of Rotary District 5030.

The change is intended to (i) create less confusion with other organizations (e.g. Northwest Harvest, Second Harvest, etc.), (ii) better describe the many ways it impacts hunger relief and food waste, (iii) be more inclusive to outside participants and partnerships, yet (iv) still engage broader audiences both within and outside Rotary. This program will introduce the new brand, and speak a bit about the critical role the project plays.

Morris has been a member of the Bellevue Breakfast Rotary Club since 2006 and a member of the Rotary First Harvest Board since 2014. His fondness for Rotary stretches back to 1973-74, when he was first introduced to Rotary as a Rotary Youth Exchange Student to the Netherlands. After that formative experience, he says, he knew it was only a matter of time before he would join Rotary. It took him 33 years, but it happened! Morris is a devotee of Rotary First Harvest, as well as a member of the board. He, his wife Carolyn and 23 year old son, Jordan, are frequent fixtures at the Rotary First Harvest Second Saturday packing parties at the Northwest Harvest facility in Kent.

Cary Young gave an outstanding presentation on what an incredible event Nightmare has grown into since it was founded in 2004. Over 16,000 kids enjoy this event which raises hundreds of thousands each year for various charitable causes.

Normally, your time volunteering for Nightmare would be compensated at \$15/hour in the form of a donation to our foundation. This year we are in the process of arranging a matching donation with them towards Tim's global grant. If implemented, would result in several additional matches. The combined effect would be that your time would end up raising \$200 per hour towards Tim Arnold's Water and Sanitation project in Ethiopia.

That is leverage! You can [register to volunteer here](#) if interested.
