Sept 26th Meeting Main Speaker

As City Council President and a 20-year resident, Angela will bring her experience to the Redmond Mayor's Office. Angela will focus on livability, environment, and community so Redmond will remain a wonderful place where all can thrive. Angela is respected in our community and region and is endorsed by many of Redmond's elected leaders, King County Executive Dow Constantine, and dozens more elected officials and organizations. Learn more at ElectAngelaBirney.com or come to our 9/26 meeting to see her in person.

Floriane Nibakure will also speak briefly at our meeting. She is a native of Rwanda and moved to the US in 1988. She raised her family in Minnesota, and now visits her grown son who lives in Washington. Florian is founder and director of an orphanage in Nyamata, Rwanda, called "Nibakure Children's Village". Her heart to help the orphans created by the Rwanda's genocide, as well as her own experience of abandonment in childhood motivated her to start the orphanage in her home country.

In 2014, Floriane opened Nibakure Children's Village to 21 orphans. However, in 2012, the Rwandan government closed all orphanages. Even as NCV sadly said goodbye to the orphans in 2015, the existing buildings would not remain empty for long. Floriane's vision for poor, vulnerable children in Nyamata remained strong. She and her board turned their efforts to providing quality education for the poor children and to help alleviate poverty in the community.
