Stinky Spoke's 20-mile mountain bike ride is the flagship fundraiser for the Redmond Rotary Foundation, serving local institutions, charities, schools, and students. (<http://stinkyspoke.net>)

The event itself will offer you the chance to have a really great time for a good cause on what is traditionally the worst weather day of the year! For our part, we provide all the creature comforts, including a heated tent, live band, food, and beer garden along with a poker prizes from cards you'll obtain on your scenic ride.

Proceeds from the race will go to Little Bit Therapeutic Riding Center, Hopelink Redmond, and Together Center. All of these organizations do really powerful things for those in our local community that need help from time to time. It also provides scholarship money to RHS students looking to further their education.
